Vision Response
West Side Presbyterian Church
May 2004

As we consider how to use our facilities now and in the future, the Property Vision Committee values your response to the Vision, the Findings, and the Recommended Directions presented at the Congregation Meeting on May 21, 2004. Feel free to also add comments on the back of this form. Thank you.

Did you attend a presentation? Yes No

In your opinion, is the congested entry area enough of a problem to warrant reconfiguration?

Do you have an opinion about interim use of the property to the south, if we do not build a new building on it in the near future? Some suggested options are: to continue to rent the four existing housing units, or to demolish the existing structures and use the property as outdoor play space or parking or a combination of both.

Are there important facilities issues that we have not addressed, that you believe should be considered?
